The Executive Director of Catholic Education Sandhurst and all delegations via that position operate within the parameters of Canon Law and the Catholic Church structures and processes. CES Ltd is the employing authority for its schools and acknowledges and respects the role of Parish Priests within the Parish communities in which schools are located and supported.

Our Vision

The vision for CES Ltd is to provide, in partnership with our families, stimulating, enriching, liberating, and nurturing learning environments in each of the Catholic school communities within the Diocese. At the heart of this vision is our commitment to the ongoing duty of care that we have for the safety, wellbeing and inclusion of all children and young people.

We believe:

- That the values of the Gospel are central to who we are, what we do, and how we act.
- That we have a vital role in the mission of the Catholic Church to imagine and seek new horizons while respecting our Tradition.
- That a strong sense of community is dependent on the quality of our collegial relationships.
- That each person's potential is fostered through the dedicated ministry of Catholic Education.
- In leadership encompassing vision, innovation, and empowerment.

Our Values

CES Ltd Values underpin and reflect the behaviours we expect of our staff:

Principles of Catholic Social Teaching

The identity of the Sandhurst Catholic School reflects the principles of Catholic social teaching, grounded in the person of Jesus, and interpreted and enacted for the "common good" in response to the "signs of the times".

These principles require that the dignity and potential of each person be fully respected within a climate that is conducive to peace, security, and development. This must find expression in the relationships, structures, curricula, planning, processes, and care in the everyday life of the school.

Respect

Respect for the dignity and potential of each person within a climate that is conducive to peace, security, and development. This must find expression in the relationships, structures, curricula, planning, processes, and care in the everyday life of the school.

Partnerships

The Sandhurst Catholic Schools do not function in isolation. In attending to the religious dimension of education, the most fundamental partnerships are those with parents/guardians and with local Catholic faith communities. The school is part of the wider Church community.

Faith

The tasks of evangelisation, catechesis and religious education are shared by home, school and parish, with each having its own distinct contribution to make in a sense of genuine partnership.

School Summary

St Patrick's Primary School in Pyramid Hill was officially opened in 1956. It was established to cater for the growing number of Catholic children in the Pyramid Hill region and as a memorial to the residents of the region who gave their lives in World War II. Many additions and renovations have occurred over the years, most recently an outside deck area adjacent to our Stephanie Alexander Kitchen Garden. In 2004 a Remembrance Garden was opened. In 2011 we received a significant grant for garden and kitchen infrastructure to enable the school to grow and prepare their own food.

St Patrick's Catholic Primary School owes much to the group of dedicated parents and the Sisters of St. Joseph who founded the school. These Sisters were a group of courageous women who followed in the footsteps of Mary MacKillop, who dreamed of providing education to small, isolated communities. Over the years St Patrick's has had a steady decline in student numbers due to a drop in population of the area. At present St Patrick's has an enrolment of 18 learners but proudly continues to offer excellent educational opportunities for those in their care whilst following in the traditions of the Sisters of St Joseph.

Pyramid Hill is a vibrant small quiet community with a golf course, cafes, supermarket, and bakery. It is also close to Terrick Terrick National Park which is renowned for its intact indigenous northern plain's vegetation. St Patrick's Primary School is a welcoming, diverse, and rewarding place to work with a large Filipino enrolment where the first language is Tagalog.
