

Meeting with Someone new at school

Sometimes at school I work with different people
outside of my classroom.

Deirdre

When Deirdre comes to visit me at school, a teacher will take me to a meeting room to meet her.

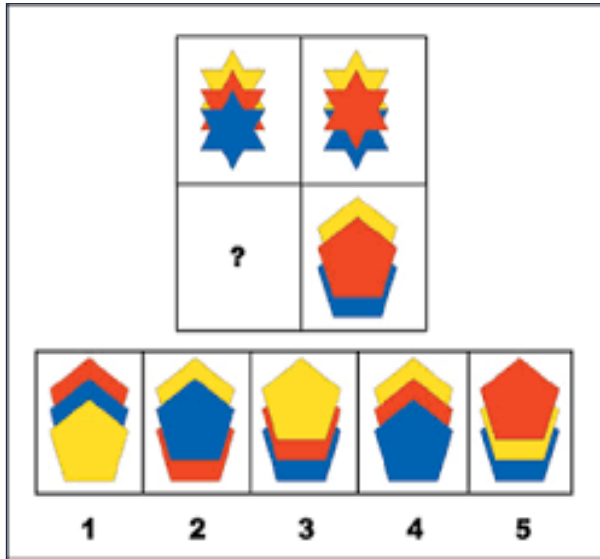

Deirdre will say “Hi, nice to meet you” and we will sit down at a table together

Deirdre will ask me some questions about what I like to do at school and at home.

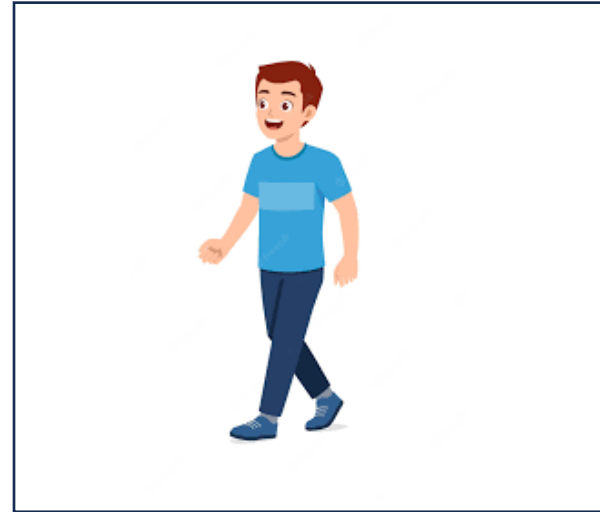

We will complete some activities together. Deirdre will tell me or show me what we need to do for each activity.

We will do things like looking at pictures, working with blocks, and answering questions.

I might really like some of the activities. Some of them I might find a bit tricky. All I need to do is to try my best.

Deep Breaths

Walk / Run

Stretches

Something else

I can ask for a short break if I need one.
Deirdre might suggest that we have a break.

When we are finished working together Deirdre will walk me back to my class.
